

We are proud to mark the 20th anniversary of our firm.

Over the past two decades, we have built an elite boutique practice committed to excellence in dispute resolution supporting international clients and global law firms with clarity, precision and sound judgment. Our experience in

complex, cross-border and high-stakes disputes has shaped not only how we resolve conflicts, but also how we help our clients anticipate and manage legal risks in their day-to-day operations.

This journey would not have been possible without the trust and support of our clients, business partners and collaborators. We are grateful for the long-standing relationships we have built, the confidence placed in us over the years, and the opportunity to work alongside so many exceptional teams and individuals.

As we celebrate this milestone, we look ahead with confidence. We remain committed to evolving our practice, deepening our capabilities and upholding the professionalism, integrity and excellence that have defined MARIF for 20 years.

Here's to the next chapter — and to many more years of collaboration, trust and shared success.
